This Academic Transcript from Embry-Riddle Aeronautical University located in Daytona Beach, FL is being provided to you by Credentials Inc. Under provisions of, and subject to, the Family Educational Rights and Privacy Act of 1974, Credentials Inc. of Northfield, IL is acting on behalf of Embry-Riddle Aeronautical University in facilitating the delivery of academic transcripts from Embry-Riddle Aeronautical University to other colleges, universities and third parties using the Credentials' TranscriptsNetwork™.

This secure transcript has been delivered electronically by Credentials Inc. in a Portable Document Format (PDF) file. Please be aware that this layout may be slightly different in look than Embry-Riddle Aeronautical University's printed/mailed copy, however it will contain the identical academic information. Depending on the school and your capabilities, we also can deliver this file as an XML document or an EDI document. Any questions regarding the validity of the information you are receiving should be directed to: Office of the Registrar, Embry-Riddle Aeronautical University, 600 S. Clyde Morris Boulevard, Daytona Beach, Daytona Beach, Florida 32114-3900, Tel: 866-393-9046.

CREDIT IN ESCROW

Credit designated "in escrow" is earned by students in Embry-Riddle Aeronautical University high school programs, including Dual Enrollment, Aviation Academy and/or Aviation Institute.

GRADE POINT AVERAGES (GPA/CGPA)

A semester or term grade point average (GPA) and cumulative grade point average (CGPA) are computed for each student after every semester or term. The GPA is calculated by dividing the number of points earned during the semester or term by the number of credit hours attempted in that semester or term. The CGPA is determined by dividing the total number of points by the total number of hours attempted at the University. For undergraduate students, points and hours attempted are accrued in courses graded A, B, C, D, F and WF. For graduate students, points and hours attempted are accrued in courses graded A, B, C, F and WF.

REPEATING A COURSE

Undergraduate: With the exception of flight courses that may be repeated only once, an undergraduate may attempt a University course only three times. In determining the Cumulative Grade Point Average (CGPA), the grade for the second course attempt replaces the first and the grade for the third course attempt replaces the second. The grade(s) and credit hours for the third and any approved subsequent attempts will be used in calculating the CGPA. All course attempts are recorded on the University transcript. Between July 1994 and June 1999, the grade for all subsequent attempts at a course replaced the previous grade in determining the CGPA, without a per-course limit.

Graduate: Effective May 1989, graduate students may petition to repeat one course in which a grade of less than B was earned for the purpose of improving their CGPA. Both grades earned are recorded on the University transcript, but, in this instance, only the replacement grade is included in the calculation of the grade point average. Beyond this approved petition, additional repeated coursework will be used in combination with the initial course attempt in calculating the student CGPA.

TRANSFER CREDIT

Grades for courses accepted as transfer credit are not reflected in the computation of the University GPA/CGPA.

GRADUATION HONORS

Undergraduate honors are based upon grades received in all Embry-Riddle Aeronautical University undergraduate courses.

Summa cum laude: 3.900 - 4.000 Magna cum laude: 3.700 - 3.899 Cum laude: 3.500 – 3.699

Prior to July 1, 2007, the level of graduation honors for undergraduate students was based upon a combination of the University cumulative grade point average (CGPA) and the grades for courses transferred from other institutions which were directly applicable to the student degree program. To be eligible, students must complete at least 45 credit hours in residence at the University.

Graduate students are recognized through inclusion of the notation "With Distinction" on diplomas and transcripts. To be eligible, students must have completed their graduate studies with a CGPA of 4.0, based upon grades received in all Embry-Riddle Aeronautical University graduate courses.

Doctoral coursework is not subject to honors recognition.

ACADEMIC STATUS

A student is in good standing unless a remark to the contrary appears at the end of the semester or term record. Remarks such as "Suspension" or "Dismissal" indicate that the student's scholarship is below standard.

FAA CERTIFICATES

All FAA Flight Certificates and Ratings recorded on the transcript were awarded as the result of flight training received at Embry-Riddle Aeronautical University. Advanced standing credit may be granted for FAA flight certificates earned outside the University.

SECURITY

To ensure the privacy and security of our student's records, Embry-Riddle Aeronautical University does not print the social security number of our students on our official transcript. The month and day of birth are printed as an alternate student identifier.
